ATTENTION: Chiefs of Staff, News Directors

Explore university life at campus Info Day

Open up a world of opportunities at the UTAS Cradle Coast campus' Info Day on Saturday, August 30.

Held from 10am – 3pm, the Info Day offers an opportunity for people interested in university study to gain information on courses and study options at UTAS.

People looking to enhance their career or further their employment opportunities and students finishing school will have the chance to talk one-on-one with course advisors and faculty staff about a range of study options.

As part of the event, a Taste of Agricultural Science will be held from 11am until 2pm offering a variety of hands-on activities including measuring how well you wash your hands and tasting the difference between grass and grain fed beef.

The day's course information sessions will help provide an insight into what life is like at university with presentations by a number of faculties and services.

Some of the day's highlights include:

- A course expo featuring information on all faculties, schools, scholarships and support services will be held in the campus' new building
- Campus tours will be held throughout the day with visitors offered an opportunity to inspect the campus' new \$6 million building
- A free sausage sizzle from midday to 1.30pm.

The Info Day will be held at the campus, 16-20 Mooreville Road, Burnie.

For more information phone 6430 4949 or email ccc.support@utas.edu.au

****Uni Info Days will also be held at the Launceston campus (17 August, 10am – 3pm) and Hobart campus (24 August, 10am – 3pm). For more information visit www.utas.edu.au/infoday *****
