Protecting yourself on the internet

Internet security will be discussed at a public lecture evening hosted by the UTAS School of Computing and Information Systems.

The lectures will cover identity theft, creating and managing passwords and social networking and will provide tips on how to protect yourself from cyberspace crime.

The public lectures are part of national ICT Careers Week and will be held at 6pm on Wednesday, 29 July, 2009 at the Centenary Lecture Theatre, Centenary Building, University of Tasmania, Grosvenor Crescent, Sandy Bay.

For more details please call Dr Kristy de Salas on 6226 6220.
