UTAS seeks artists for Atrium Gallery exhibition program

Tasmanian artists are invited to submit proposals for the UTAS Cradle Coast Campus 2014 exhibition program.

Emerging and mid-career artists, particularly those with ideas relevant to the North West Tasmanian community, are encouraged to submit their Expressions of Interest via the UTAS Cradle Coast Campus website.

The Atrium Gallery is a light-filled space suited perfectly for exhibitions of medium to large two-dimensional work.

“The gallery provides the perfect platform for artists seeking a professionally-managed exhibition experience as well as those more established wanting to raise their profile,” UTAS Cradle Coast Campus Exhibitions Coordinator Joanna Gair said.

“We are particularly interested in receiving applications from primary and secondary school groups keen for a first-taste experience of exhibiting publically.”

Interested artists should:

Download the application form and guidelines from www.cradle-coast.utas.edu.au.

Complete the form and return to Joanna Gair (Joanna.Gair@utas.edu.au) along with the required support materials.

Applications close on January 16, 2014. Successful artists will be notified via email in late February 2014. Please note: only electronic submissions will be accepted.

For more information contact:
